Tennessee AFP to Make Group Donation of Sample Medications to the Dispensary of Hope!

The Dispensary of Hope, an exhibitor at our Annual Assembly for the past three years, needs the Tennessee AFP’s help. Based in Tennessee, the Dispensary of Hope is a not-for-profit social venture that provides pharmaceutical access to low-income and uninsured patients in our state and across the country. Their mission is possible thanks to generous donations of sample medications from individual physicians and groups like the Tennessee AFP.

At this year’s Annual Scientific Assembly on October 25-28 in Gatlinburg, the TNAFP will be making a group donation of sample medication to the Dispensary of Hope. **We encourage you to bring any unexpired, non-controlled samples to Gatlinburg for donation to the Dispensary of Hope at their booth.** The Dispensary of Hope will announce TNAFP’s total donation amount after the conference.

If you are not attending this year’s Tennessee AFP’s Annual Scientific Assembly but would still like to make a donation, contact Vicki Jones at the Dispensary of Hope at 615-736-5595 or victoria.jones@dispensaryofhope.org.

On behalf of the Dispensary of Hope, the Tennessee AFP thanks you for your participation!
