Tennessee Family Physician Release Form

By signing below, I acknowledge that any articles, papers, or other content submitted to the Tennessee Academy of Family Physicians ("TNAFP") for consideration to be published in *Tennessee Family Physician* ("Content") is my own original, unpublished work, unless sources are appropriately cited within the submission, and I hereby assume all responsibility for any plagiarism or duplicate publication and agree, to the maximum extent permitted by law, to indemnify and hold the TNAFP harmless, including but not limited to attorney's fees and expenses, in the event of a claim against TNAFP alleging plagiarism and/or otherwise arising out of the Content. I attest to creating the work on my own, or with my co-authors, without the use of Artificial Intelligence or other inappropriate aids.

I accept full responsibility and potential liability for compliance with all applicable copyright or privacy laws, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA), by appropriately deidentifying any and all patient information or obtaining and retaining written permission for the use of patient or copyrighted materials in the Content.

I understand that submitting the Content does not guarantee its acceptance for publication and that TNAFP reserves the right to reject my submission if the Editorial Board decides in its sole discretion, which shall be conclusive, not to publish the Content for any reason in any of its publications, including *Tennessee Family Physician*.

I understand that if TNAFP accepts the Content for publication, TNAFP reserves the right to omit or modify language for clarity, style, space or for any other reason as determined by the Editorial Board in its sole discretion, which shall be conclusive, without my approval, unless such edits alter the overall substance or tone of the submission, in which case TNAFP will make a good faith effort to allow for additional review, correspondence, and agreement with me prior to submission.

I further understand that if TNAFP accepts the Content it will appear in the print and digital versions of *Tennessee Family Physician*, and that by submitting the Content I am giving my consent to the TNAFP to use the Content for the purposes of publication and granting TNAFP a worldwide, royalty-free, unconditional license to use, and unlimited use of, the Content, without charge to the TNAFP, in perpetuity in *Tennessee Family Physician*, the TNAFP website, TNAFP social media, and any other TNAFP member-facing or public communications it deems appropriate.
